

Saturday Trail Volunteer Event

August 4, 2012

This trail work event will be in partnership with trail volunteers from the Batiquitos Lagoon Nature Center and takes place at one of Carlsbad's most visited and well known trails.

Beautiful lagoon views, migrating birds and the occasional whip tail lizard are just a few of nature's bounty one can experience on this trail. Your volunteer service improving the trail will help to ensure the integrity of this vital nature area.

Tools and equipment will be provided by the Batiquitos Lagoon Foundation and the City Parks Maintenance Division. New volunteers will be given a short training on proper use of tools, and then assigned to a work group.

Trail work will include weed removals, timber step restorations and installation of low post with rope fencing to assist in erosion protection and native plant and wildlife habitat protection.

Please come prepared and wear gloves, close-toed shoes, a hat and sunscreen. Water and snacks will be provided.

Date: August 4, 2012

Time: 8:30-11:30 a.m.

Place: Batiquitos Lagoon
North Shore Trail
